Planning:

- March Madness Rally
Rally will be held on Friday, March 29th. We have been using the following criteria to calculate standings -- AR, Attendance, Learning Checks, Map scores, Battle of the Books, Spelling Bee and Discipline. There will also be some fun games on Friday to total out the standings. The committee members have worked hard to plan and help carry this out.
- Review of Staffing Allotments
Mr. Lockwood shared the allocation worksheet with the council and discussed the allocations and discussed the ratios and percentages with the group.

Instruction and Assessment

- Learning check
We will have our final Learning check on Friday. Science

- Related Arts Schedule
Mr. Lockwood shared with the council the possibility of having the Related Art classes to run 9 weeks making it possible for students to have more choices. The council liked the idea of students have more choices.
