Parental Involvement Policy (Legally Required for Title 1 Schools and Best Practice for others)

Definition of Parent: The legal definition of a “parent” is a parent, stepparent, or foster parent of a student or a person who has legal custody of a student pursuant to a court order and with whom the student resides.

For the purpose of this policy we will use the term “parent” to encompass all diverse family situations.

## **Commitments: We commit to:**

1. Sharing clear information about each student’s progress with parents.
2. Offering practical suggestions to parents on how they can support student learning at home.
3. Making representative parents and community member’s full partners in our decision-making.
4. Facilitating the involvement of our parents with limited English proficiency, parents with disabilities, and parent of migratory children.
5. Seeking and supporting adult volunteers to work with and inspire our students, as well as making

every effort when legally appropriate to accommodate the involvement of adults other than parents who are already involved in a student’s life. We will honor these commitments through a school-parent compact. During an annual meeting with parents, we will review the compact with parents, ask for input and then revise, if necessary, the compact.
